DEDICATION

Dear Mrs. Perkins

We cannot begin to express our deep appreciation for the help and advice you have given us these past four years.

Your guidance has helped our class achieve goals which seemed beyond our reach.

Because as our sponsor, teacher, and friend you have given us new respect for NHS, we hereby dedicate the 1961 TIGER to you.

The Seniors of 1961

BOARD OF EDUCATION

Seated left to right: Foster Lomax, Carl Dollins, Ellis Travis, Superintendent W. I. Green, Lloyd Surber, Perry Lee, Walter Blagg, (Not shown) Ray Scott, Treasurer.

Superintendent's Message

"Religion, morality, and knowledge being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged."

These were not casual words. The philosophical ground in which the American dream had its roots held the belief that man was a creature capable of infinite improvement through the development of his intelligence. We, of Neelyville High School, hope to achieve this worthy goal by training the minds of all who enter our doors with a desire in mind to improve his intellect. This book has its place in the learning process -- a pictorial momento of others who, like yourself, had that desire.

W. I. Green

JOSEPH L. HILLIS, Principal

It is said that a hero of the long ago wept because there were no more worlds to conquer. How little he knew of life as it really is. Never will it be true that there is nothing more to be done, that everything has been accomplished, that there is no more room for future conquest.

Your parents and the patrons of this community have given you the opportunity to attend school until you receive your diplomas. You have been given every possible chance to make good.

The world is full of wonderful opportunities and if you use your eyes, your ears, and your intelligence you cannot help but find something to do and way to make this world a better place to live.

MILDRED VANDOVER
Elementary Principal

It gives me great pleasure to watch you boys and girls grow, to see your progress in school and then to see you attain success in life.

May you make the most of the many opportunities that will come to each of you.

Peggy & Thelma sang in the state F. H. A. chorus.

Getting ready to come home

Entertainment is the call of the evening.

A quartet composed of Thelma, Marjorie, Peggy, and Anna Mae provided excellent entertainment.

Installation of New Officers

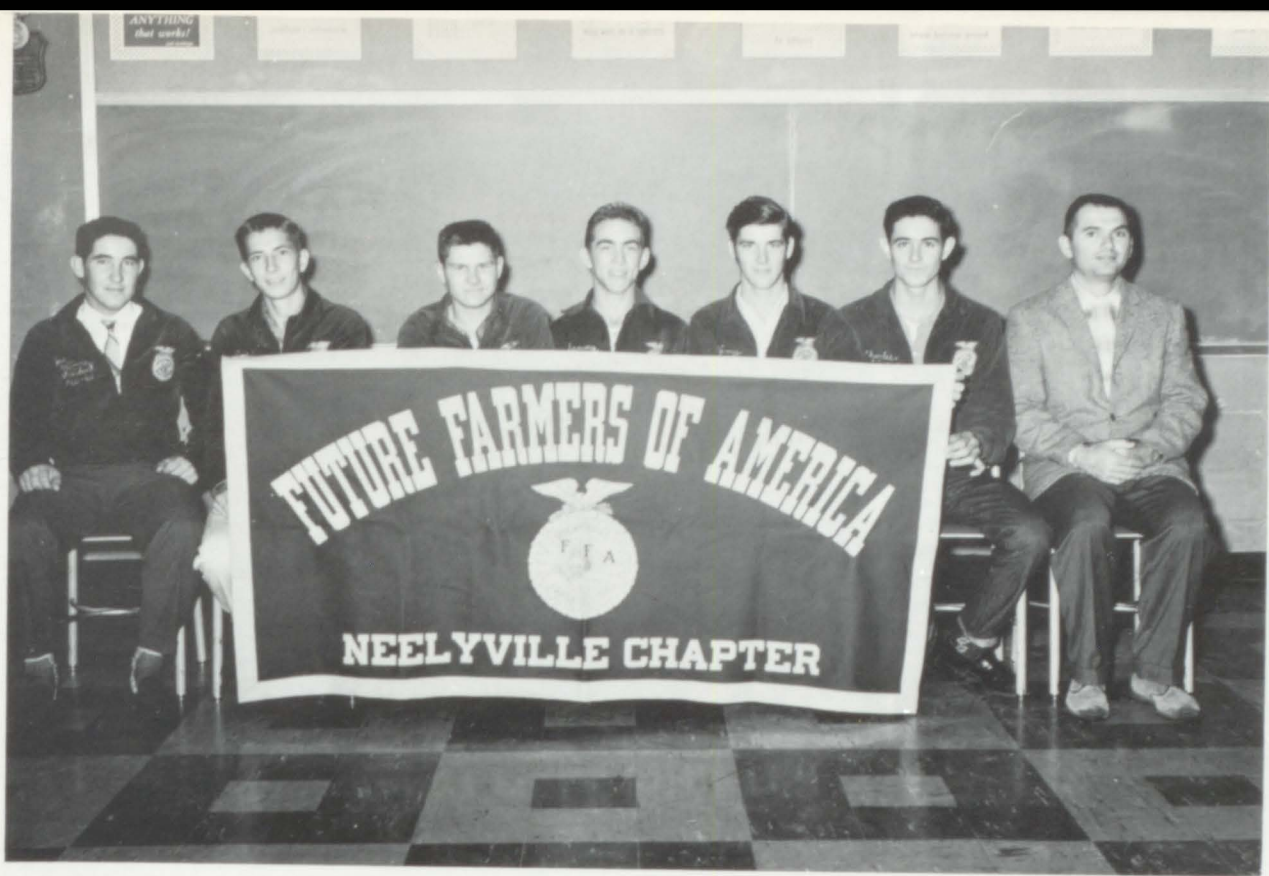

President Carol and other new officers installed.

Neelyville High School can well be proud of it's F. H. A. Chapter which has been quite active in planning and executing many of the events that take place here at NHS.

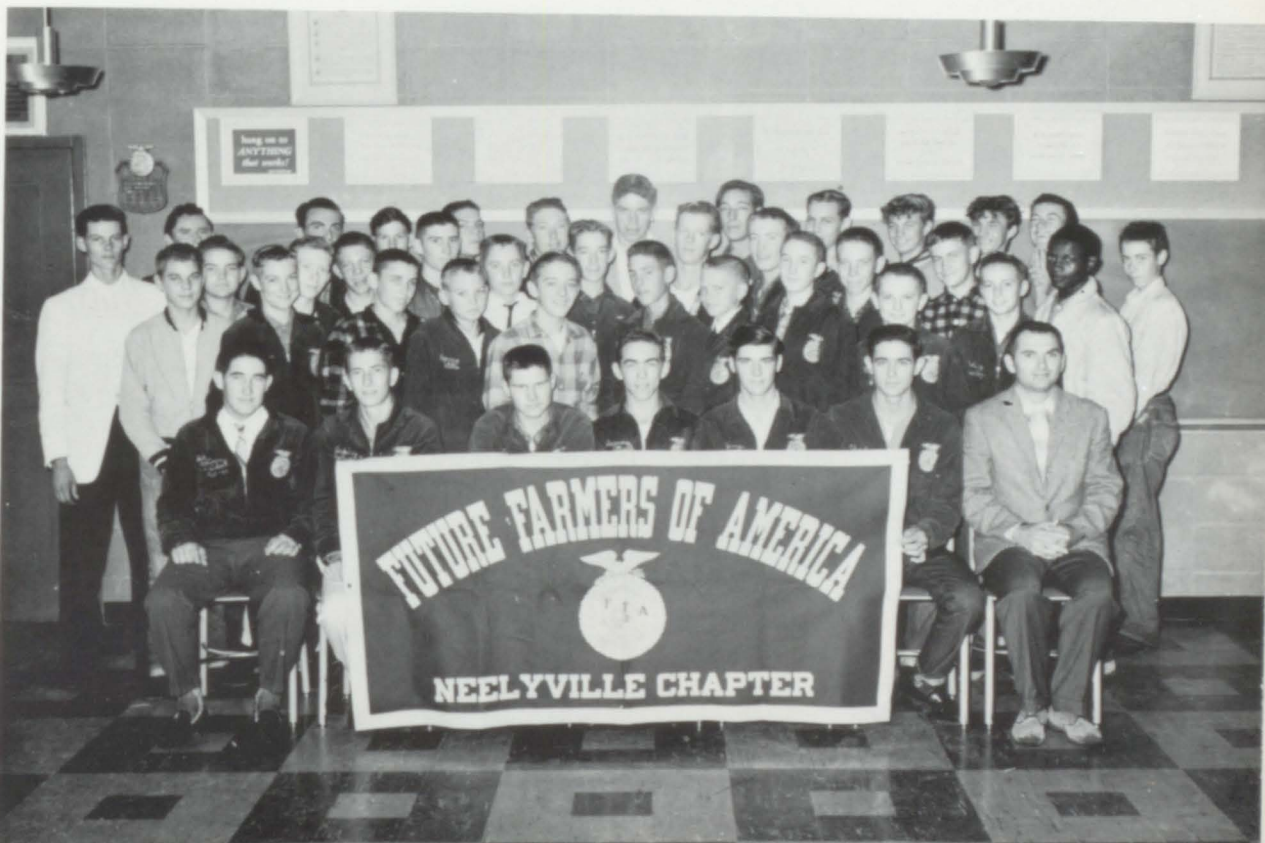

A group of the girls top off the evening in song.

BETA CLUB INITIATION

As part of their initiation into the Beta Club, the thirteen new members were

sold at auction to students and faculty members at NHS. These snapshots show

these slaves and their "owners" at various times during the day. Some of

them had it pretty tough, but they still had lots of fun.

Official Inspector

This is no time for ballet
... get busy!!

Oh, we've been working.
This is our break.

The Beta Club worked hard all year washing cars, selling rummage, making candy and doing anything to make more money. But it was well worth it all to see new curtains on the stage.

All finished -- time to relax, have a coke, and have water fights.

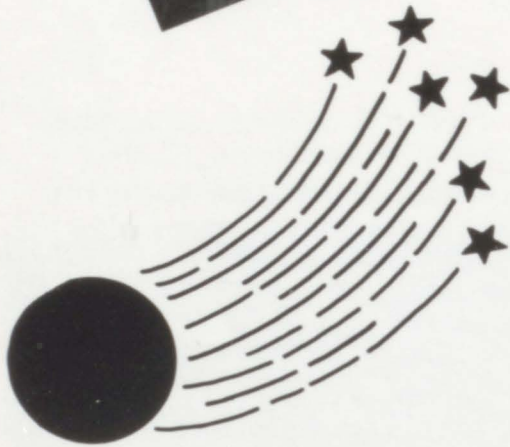

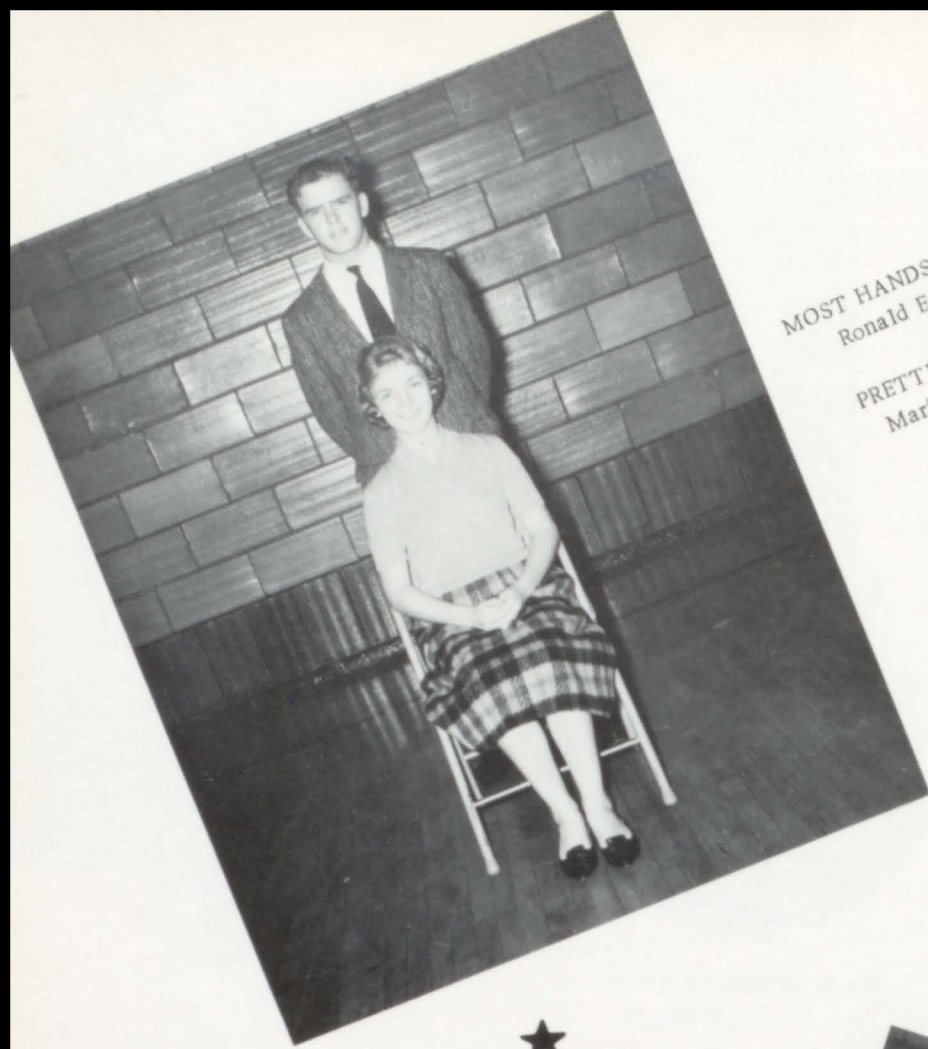

Of course, we have fun working, too.

Our praise will ring, we'll always sing

PEP CLUB

Although the Pep Club is a new innovation at NHS, it has become a very important part of our sports program. Traveling with the ball club, it gives the cheerleaders vocal support while they all give our team the moral support it deserves.

Our boys were the "surprise" team of the P. B. Invitational Tournament. After upsetting the third-seeded team, Kennett, we met Poplar Bluff - - and gave them quite a ball game, being edged by only one point. Here Tiger Captain Doug Sheeks tabs a Mule player after getting the rebound. Joe Powell was named to the tourney's All-Star Team, and Richard Rich and Douglas Sheeks received honorable mention.

This record is something which in years to come you will look back to with fond memories and recall with great pleasure the events of your years at Neelyville High School. At the time it probably seems to you that each event is the most important thing in your life.....a matter of life and death that you win the beauty contest, we win the ball game, you make the Beta Club, to be Student Council President, or that your class be crowned Carnival Royalty. With this in mind we are trying to capture for you, in pictures and verse, the high-lights of this year for us, the year-1961.
